Re: Bartow County Jail Expansion
Cartersville, Georgia

To Whom It May Concern:

I am pleased to write this letter to tell you how pleased we have been working with Professional Tilt Services, LLC (PTS) on the Bartow County Jail Expansion project in Cartersville, Georgia.

The working relationship between PTS and Peter R. Brown Construction, Inc. has always been cooperative and productive. We are very pleased with the management team on the project. Challenges to the project whether construction, design or budget related have always been worked out in a timely manner to maintain the project construction schedule and finished quality. Issues are resolved between the PTS and PRBC site staff before they have a chance to impact the schedule.

Your company has maintained an open door policy on the project and as the Project Manager I want you to know how greatly this is appreciated.

We look forward to many years of continued service and satisfaction from PTS and are pleased with our experience with your company. We look forward to a continuing relationship for years to come and are happy to provide this recommendation of PTS as a contractor for any project.

Respectfully,
PETER R BROWN CONSTRUCTION, INC.

Ralph Lambert
Project Manager
